SUSUMANIELLO Salento

Indicazione Geografica Protetta

Obtained from Susumaniello grapes, a rediscovered native variety of Salento, our wine comes from the estate vineyards of Contrada Notarpanaro, an area that best expresses the unique characteristics of this variety. With its intense pink color and a fresh bouquet of floral and fruity notes, it is a wine that enchants with its elegance and finesse. Perfect for those seeking a refined and authentic Salento experience.
